 - (b) Team Managers will be advised of details of the anti-doping testing procedure at the pre-competition briefing meeting.
- 17.3 Any player nominated for a selected match may be subjected to an anti-dope test after the match even if that player has remained on the team bench throughout that match. A player may be subjected to more than one anti-dope test during the HHIL.
- 17.4 A player selected for an anti-dope test may not take a shower, bath, ice bath or similar before providing a urine/blood sample which meets the requirements in the International Standard for Testing.
- 17.5 A positive test or a refusal to submit to a test will render the player concerned and the player's team and officials subject to the disciplinary provisions as to sanctions and penalties, and the procedures and rights as stated in the WADA Code and the current HI Anti-Doping Policy.
- 17.6 All players, team officials and League officials must sign the Acknowledgement and Agreement form included in the **HHIL Code of Conduct**.

HHIL/10 January 2013

APPENDIX 1 - LEAGUE COMPETITION PLAN AND RANKING

1. PLAN OF THE LEAGUE

- 1.1 There will be five (5) teams in HHIL 2013. Each HHIL team shall play three (3) matches against each other team in HHIL, one at their home venue and one at the venue of the opposition team. The third match against the other four (4) teams will be two (2) at home and two (2) away. These matches will be played between 14 January and 7 February 2013.
- 1.2 Points will be awarded as follows:
- | | |
|---|-----------------|
| Win: | Five (5) points |
| Draw: | Two (2) points |
| Loss with goal difference of 2 or less goals: | One (1) point |
| Loss with goal difference of 3 or more goals: | Nil (0) points |
- 1.3 Teams will be ranked according to the number of points each has accumulated in the HHIL. The team finishing in 5th position will be placed 5th in the HHIL final ranking. Teams finishing 1st to 4th will enter a play-off competition (see **Paragraph 2** of this Appendix) to determine the top four ranking positions.
- 1.4 If at the end of the League two or more teams have the same number of points for any place, these teams will be ranked according to the following order:
- respective number of matches won;
 - respective goal difference (goals for less goals against). A positive goal difference always takes precedence over a negative one;
 - respective number of goals scored;
 - the cumulative results of the two matches played between those two teams taking firstly the points won in the two matches, secondly the goal difference, and thirdly the number of goals scored;
- 1.5 If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position (as above). If there remains equality, then the teams involved shall be ranked according to paragraphs 1.4(a), (b), (c), and (d) of this Appendix.
- 1.6 Should there still remain equality between two teams, then the ranking will be determined by a shoot-out competition between those teams in accordance with **Paragraph 3** of this Appendix.
- 1.7 If more than two teams are involved, then each team will play a shoot-out competition against the other teams (in the same order of play as occurred in the League), in accordance with Paragraph 3 of this Appendix but with one round of five (5) shoot-outs only to be taken compulsorily by each team.
- 1.8 A ranking will then be established based upon the results of this round of the shoot-out competition only, with the award for each series of the respective shoot-out competitions of 3 points to the team having scored or been awarded the highest number of goals, 1 point to each team having scored or been awarded an equal number of goals and 0 points to the team having scored or been awarded the least number of goals.
- 1.9 If equality remains then teams having an equal number of points shall be ranked according to paragraphs 1.4(a), (b), (c) and (d) of this Appendix as applied to goals recorded during the shoot-out competition.
- 1.10 If an equal position of more than two teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Tournament Director shall make a draw to establish each sequence of play if such further rounds of shoot-outs are required.
- 1.11 Should there be a need for a shoot-out competition under the terms described above, this will take place at a time and place to be determined by HHIL on 8 February 2013.

2. PLAY-OFF MATCHES

- 2.1 After completion of the regular matches in the League, the top 4 teams will advance to the HHIL Play-offs as outlined below.
- 2.2 Matches will be played as follows:
 - Semi-final 1: 1st Placed Team v 4th Placed Team
 - Semi-final 2: 2nd Placed Team v 3rd placed Team
 - Third/Fourth place: Losers of the two semi-finals
 - Final: Winners of the two semi-finals
- 2.3 These matches will be played on 9 and 10 February 2013 at the same venue. The venue for these matches will be determined by HHIL in advance.
- 2.4 These matches will be played to the same playing regulations as the regular HHIL matches, other than outlined below in clause 2.5.
- 2.5 The score at the end of the regulation time of the above matches shall be registered by the HHIL as the result of the match. However, in order to establish an outright winner of any drawn play-off match, the duration of that match shall be extended with up to two (2) periods of extra time (golden goal), and a shoot-out competition if necessary.
- 2.6 After a break of 5 minutes, the teams shall play up to two periods of seven and a half (7½) minutes each, in between teams shall change ends without a rest period.
- 2.7 The extra-time shall cease, however, once a team has scored or been awarded a goal. That team shall be the winner of the match.
- 2.8 If the score is still a draw at the end of the extra time, a shoot-out competition shall be played to establish the winner of the match.
- 2.9 The winner of the Final match will be crowned the **HHIL Champions 2013**.

3. SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out below. The shoot-out competition comprises all series of shoot-outs required to determine a result and the following playing rules and procedures shall be followed.

- 3.1 The respective Team Managers shall nominate five players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions/replacements are permitted during the shoot-out competition, other than as specified below. See also **Regulation 5.3** regarding nationality of those players selected to participate in the shoot-out.
- 3.2 Team Managers must sign the **Shoot-out Competition Result Form** to confirm the nominations of the five players and the sequence of players to take the first round of 5 shoot-outs, and submit this to the Technical Officer on duty. If the shoot-out is taking place after the end of extra time in a match, the above procedure must be carried out promptly to enable the first shoot-out to commence no later than five (5) minutes after the extra time has finished.
- 3.3 A player who is still suspended by the Tournament Director at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been temporarily suspended (green card or yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the extra time.
- 3.4 The Tournament Director will outline at the pre-competition briefing meeting the method of timing shoot-outs taking into account the facilities available at the venue and the need to control time accurately.

- 3.5 The Technical Officer for the match will specify in advance of the shoot-out competition which goal will be used, taking into account any television requirements.
- 3.6 The Umpires shall toss a coin with the Team Captains, the winner having the choice to take or defend the first shoot-out.
- 3.7 During a shoot-out, all persons who appear on the HHIL Team Entry Form other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the 23m area used for the shoot-out, but must be at least 10 metres from the spot where the ball is placed at the start of the shoot-out. The goalkeeper/defending player of the team taking a shoot-out may be on the back-line outside the circle.
- 3.8 Only the players taking or defending a shoot-out may enter the 23m area for that purpose.
- 3.9 If a player taking a shoot-out is also defending the shoot-outs taken by opponents, he is allowed reasonable time to remove protective equipment in order to take his shoot-out and subsequently to replace the protective equipment before defending another shoot-out.
- 3.10 Five players from each team take a shoot-out alternately against the goalkeeper/defending player of the other team making a total of 10 shoot-outs (unless the taking of any remaining shoot-outs will not change the final result).
- 3.11 The shoot-out shall be taken under the following procedure:
- (a) the goalkeeper/defending player starts on or behind the goal-line between the goal posts;
 - (b) the ball is placed on the nearest 23m line opposite the centre of the goal;
 - (c) an attacker stands outside the 23m area near the ball;
 - (d) the Umpire blows his whistle to signal the start of the shoot-out and the technical official on duty starts the countdown clock;
 - (e) the attacker and the goalkeeper/defending player may move in any direction;
 - (f) the shoot-out is completed when any of the following first occur:
 - (i) 8 seconds has elapsed since the starting signal;
 - (ii) a goal is scored (the ball crossing the line before the expiration of 8 seconds);
 - (iii) the attacker commits an offence;
 - (iv) the goalkeeper/defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
 - (v) the goalkeeper/defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded;
 - (vi) the ball goes out of play over the back-line or side-line, this includes the goalkeeper/defending player intentionally playing the ball over the back-line.
- 3.12 If a penalty stroke is awarded as specified above, it is taken by the two players involved in the shoot-out concerned unless either of them is incapacitated or suspended. The result of this penalty stroke will be considered to be the result of that particular shoot-out.
- 3.13 A video referral can only be requested by an Umpire to determine, if necessary, whether or not the ball crossed the goal-line for a goal to be scored before 8 seconds has elapsed. No team referrals are permitted during a shoot-out competition.
- 3.14 The team scoring the most goals (or ahead by more goals than the other team has remaining shoot-outs available) is the winner.
- 3.15 A player may be suspended by a yellow or red card but not by a green card during a shoot-out competition.

- 3.16 If during a shoot-out competition a player (either an attacker or a goalkeeper/defending player) is suspended:
- (a) that player takes no further part in that shoot-out competition and, unless a goalkeeper/defending player, cannot be replaced;
 - (b) the replacement for a suspended goalkeeper/defending player can only come from the five players of that team nominated to take part in the shoot-out competition:
 - (i) the replacement goalkeeper/defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper/defending player he is replacing was wearing;
 - (ii) for taking their own shoot-out, this player is allowed reasonable time to remove their protective equipment to take their shoot-out and subsequently to replace it again;
 - (c) any shoot-out due to be taken by a suspended player counts as no goal, the shoot-outs taken by this player and scored or awarded before being suspended count as a goal.
- 3.17 If during a shoot-out competition, a defending goalkeeper/defending player is incapacitated:
- (a) that goalkeeper/defending player may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition;
 - (b) the replacement goalkeeper:
 - (i) is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper/defending player was wearing;
 - (ii) if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to remove their protective equipment to take their shoot-out and subsequently to replace it again;
- 3.18 If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition
- 3.19 Incapacity to continue either as a goalkeeper/defending player or an attacker must be confirmed by the on-duty Doctor/Medical Officer.
- 3.20 If an equal number of goals are scored and/or awarded after each team has taken five shoot-outs:
- (a) a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - (b) the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - (c) the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - (d) when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner;
- 3.21 If an equal number of goals are scored and/or awarded after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in **Paragraph 3.20** of this Appendix;
- (a) the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - (b) all five players from each team must take a shoot-out before any of them can take another;
 - (c) the team which starts each shoot-out series of five alternates for each subsequent series;

(d) the shoot-outs should continue until one team has scored and/or been awarded one more goal than the opposition after each has taken the same number of shoot-outs.

3.22 Unless varied by this Appendix, the Rules of Hockey apply during a shoot-out competition.

APPENDIX 2 - SCHEDULE OF VARIATIONS TO THE RULES OF HOCKEY

1. VARIATIONS

To add to the excitement of HHIL matches, and particularly to the attraction of the game on TV, a number of variations to the Rules of Hockey will apply during HHIL matches in 2013. The variations are as identified below.

2. RULES OF HOCKEY

The mandatory experimental rules included in the 2013 Rules of Hockey will be played at HHIL, unless otherwise varied below. Specifically, the Method of Scoring (Rule 8) which allows an own goal to be scored, and Raising the Ball from a Free Hit (Rule 13.2).

3. MATCH TIME

- 3.1 A match consists of 70 minutes played in four periods of 17½ minutes each, separated by an interval of 3½ minutes at quarter and three quarter time, and of 10 minutes at half time. Teams will change ends at half time only.
- 3.2 The team which has taken the first centre pass will also take the centre pass after the first quarter break. The other team will take the centre pass after half time and after the third quarter break.
- 3.3 Each team will be allowed one Time-out during a match. Time-outs may be used in accordance with **Paragraph 4** of this Appendix.

4. TIME-OUT

- 4.1 Each team may call for one Time-out during a match, subject to the conditions below, although they are not obligated to do so. Time-outs will not apply during any period of extra time or during a shoot-out competition where these occur in a Play-off match.
- 4.2 A Time-out:
 - (a) may be called by either team when play is stopped immediately before putting the ball back into play after it has been outside the pitch, or before a free hit, centre pass or a bully;
 - (b) may **not** be called within the period from the award of a penalty corner or penalty stroke until after it has been completed;
 - (c) will take a maximum of 2 minutes. The duration of the Time-out is controlled by the Technical Officer. After 2 minutes players of both sides must be ready to re-start the match exactly on time.
- 4.3 The procedure for a Time-out is as follows:
 - (a) the Team Manager or Coach of either team verbally request to the Technical Officer on duty that they require a Time-out at the next appropriate break in play;
 - (b) the Technical Officer indicates to the nearside Umpire using the 'T' board. At the next appropriate break in play (as decided by the Umpire), the Umpire will stop the match by blowing his whistle and indicate that a Time-out has been called by using a 'T' signal in front of his chest;
 - (c) the Technical Officer will stop the match time and will commence a 2 minute countdown;
 - (d) the Time-out may take place on the field of play, or at the team bench;
 - (e) the nearside Umpire shall blow his whistle when 1 minute 45 seconds has elapsed and ask players to resume their positions on the field of play to restart the match;
 - (f) the nearside Umpire shall re-start the match exactly on time (or less if both teams are ready to play), even if players from either team are yet to resume their positions. At the same time the Technical Officer shall re-start the match time clock;
 - (g) the match is re-started by putting the ball back into play or with a free hit, centre pass or bully which was due to take place before the Time-out occurred.

- 4.4 During a Time-out:
- (a) players and team officials may not leave the field of play or team bench area unless authorised to do so by the Technical Officer on duty;
 - (b) any temporarily suspended player(s) may re-join their team for the duration of a Time-out but must return to their suspension seat at the technical table to complete their suspension period when the match resumes (time elapsed during a Time-out does not count towards any period of suspension);
 - (c) teams may make substitutions during a Time-out, but any substitutions made must be notified by the Team Manager to the Technical Officer on duty immediately the match re-starts.

5. PENALTY CORNER PENALTIES

- 5.1 At a penalty corner, until the ball has been played, no attacker other than the one taking the push or hit from the back-line is permitted to enter the circle and no defender is permitted to cross the centre-line or back-line.
- 5.2 For any offence of this rule by a defender on the back-line, other than the goalkeeper or player with goalkeeper privileges, the offending player is required to go beyond the centre-line and cannot be replaced by another defender.
- 5.3 For any offence of this rule by a defending goalkeeper or player with goalkeeping privileges, the defending team defends the penalty corner with one less player.
- 5.4 For an offence of this rule by an attacker who enters the circle before the ball is played, the offending player is required to go beyond the centre line.
- 5.5 If the player taking the push or hit from the back-line feints at playing the ball, the offending player is required to go beyond the centre line but is replaced by another attacker; if this feinting leads to what would otherwise be a breach of this rule by a defender, only the attacker is required to go beyond the centre line.
- 5.6 Subject to the above, the penalty corner is re-taken.
- 5.7 If another breach of the rule as described above occurs during the re-taken penalty corner, further consequences apply as specified above, so for a second offence of this rule by a defender on the back line, the team defends the penalty corner with not more than three (3) players.
- 5.8 A subsequent penalty corner (as opposed to a re-taken penalty corner) may be defended by not more than five (5) players.

6. TEMPORARY PLAYER SUSPENSIONS

- 6.1 A player who receives a green card (warning) from an Umpire will be temporarily suspended for two (2) minutes of playing time.
- 6.2 A player who receives a yellow card from an Umpire will be temporarily suspended for a minimum of five (5) minutes of playing time. For a more serious offence, this may be increased to ten (10) minutes at the discretion of the Umpire. The duration of a yellow card suspension must be indicated to the technical official on duty by the Umpire who issues the yellow card.
- 6.3 For the duration of each temporary suspension, the offending team plays with one less player.
- 6.4 If a field player receives a green or yellow card, the umpires stop the match to issue the card and shall immediately re-start the match after issuing the card.
- 6.5 If a goalkeeper or player with goalkeeping privileges receives a green or yellow card, the umpires stop the match to issue the card and shall re-start the match after the player has left the field of play.

- 6.6 The offending player leaves the field of play immediately; if they interfere with play on their way to the designated suspension area the Umpire may further penalize the player in accordance with the Rules of Hockey.
- 6.7 The period of any temporary suspension starts only when the player is seated in the designated area and the match has been re-started. The timing of the suspension is controlled by the technical official on duty.
- 6.8 The offending player is permitted to resume play when the technical official on duty indicates that the period of suspension has been completed, unless this occurs within the period from the award of a penalty corner until after it has been completed in which case the player cannot return until the corner has been completed or another penalty corner is awarded.
- 6.9 If the offending player is a goalkeeper or player with goalkeeping privileges, the technical official on duty notifies the nearest Umpire when the period of suspension has been completed; the Umpire stops time at the next stoppage in play to enable the player to resume play.
- 6.10 A player can only receive one (1) yellow card in a match. If a second yellow card is given to the same player, this card will automatically be followed by a red card and may be subject to further disciplinary measures by the Tournament Director.

7. PENALTY CORNER TIMING

- 7.1 When a penalty corner is awarded, Umpires shall (to allow TV replays and for defenders to put on their body/head protective gear) allow **not less** than 45 seconds to elapse before allowing the penalty corner to commence.
- 7.2 The 45 second clock shall be activated by the technical officials as soon as the penalty corner is awarded. The match time clock does not stop, unless otherwise directed by the Umpire.
- 7.3 Upon expiry of the 45 seconds the Umpire may allow the taking of the penalty corner. If the attackers fail to inject the ball within a reasonable time after that then the Umpire may disallow the corner.
- 7.4 The 45 second rule will apply only to the initial award of a penalty corner and not to any retake, or to any second penalty corner awarded before the ball has moved 5m from the circle.

The Video Umpire procedure will be used during the HHIL Play-off matches only, not during the regular HIL matches.

2. POWER TO REFER DECISIONS TO THE VIDEO UMPIRE

- 2.1 The match Umpires are the only persons who can refer decisions to the Video Umpire, either directly or after the request from a team.
- 2.2 Referrals cannot be made as a result of protests, queries or pressure from players, Team Managers or Coaches on any decision. Teams (and their Captains) will be held responsible for any violation or abuse of the Video Umpire procedures.
- 2.3 No person other than the match Umpires can stop the match to request a referral (the Video Umpire or technical officials at the table cannot stop the match).

3. UMPIRE REFERRAL

- 3.1 The match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding or disallowing of goals.
- 3.2 Referrals shall only relate to whether or not a goal has been legally scored.
- 3.3 The match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
 - (a) whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
 - (b) whether the ball was legally played or touched inside the circle by the stick of an attacker, or touched the stick or body of a defender inside the circle, and after either of these actions did not travel outside the circle before passing completely over the goal line and under the crossbar;
 - (c) whether the ball travelled outside the circle before it entered the goal from a shot by an attacker, without being touched by the stick or body of a defender, during the taking of a penalty corner;
 - (d) whether a breach of the rules has been observed within the attacking 23 metre area in the play leading to the awarding or disallowing of a goal. It is then for the match Umpire to take any breach into account in reaching their decision.
- 3.4 The match Umpire stops the match and requests Video Umpire assistance using the 'television screen' signal. They relay by radio to the Video Umpire whatever information is necessary.

4. UMPIRE REFERRAL PROCESS

- 4.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 4.2 Within the shortest time frame possible, the Video Umpire will provide their advice and recommendation to the match Umpire;
 - (a) Goal
 - (b) No Goal
 - (c) No Advice Possible
 - (d) Any advice on any observed breach of the Rules.
- 4.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the match Umpire to take this into account in reaching their final decision.

- 4.4 In the event of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision, or technical problems with the referral equipment), the original decision of the match Umpire stands. If there was no decision given before the referral, then the final decision is 'no goal'.

5. TEAM REFERRAL

- 5.1 Each team is allowed one team referral request (which must be made through the match Umpires) during any match (including any extra time periods but not during a shoot-out competition), subject to paragraph 6.4 (a) and (b) below of this procedure;
- (a) team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non- award) of goals, penalty strokes and penalty corners. The award of personal penalty cards may not be the subject of a team referral;
 - (b) any team player, on the field of play at the time of the incident, can request a team referral;
 - (c) this player must indicate to the match Umpire that they wish to use their team referral. They must do so immediately after the incident or decision which is to be referred by using the 'T' signal as well as confirming this verbally to the match Umpire;
 - (d) the match Umpire will not disallow any request for a team referral provided the 'T' signal has been used by a player and seen by the match Umpire;
 - (e) the player requesting the team referral must inform the match Umpire of the exact nature of the decision (or non-decision) that his team wishes to be reviewed within a maximum of 20 seconds;
 - (f) if no question is received within 20 seconds, the team referral will automatically default to a review of the last decision (or non-decision) relating to the award (or non-award) of a goal, penalty stroke or penalty corner;
 - (g) the match Umpire will then request Video Umpire assistance using the 'television screen' signal, followed by a 'T' signal to denote a team referral, and relay by radio to the Video Umpire whatever information is necessary.

6. TEAM REFERRAL PROCESS

- 6.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 6.2 Within the shortest time frame possible, the Video Umpire will provide their advice and recommendation;
- (a) Goal
 - (b) No Goal
 - (c) Penalty Stroke
 - (d) No Penalty Stroke
 - (e) Penalty Corner
 - (f) No Penalty Corner
 - (g) No Advice Possible
 - (h) Any advice on any observed breach of the Rules.
- 6.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the match Umpire to take into account the breach in reaching their final decision.
- 6.4 Implications for the retention or loss of team referral rights;
- (a) in the event that the referral is upheld, the referring team retains its right of referral;
 - (b) in the event of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the

footage being of insufficient quality to permit a decision, or technical problems with the referral equipment), the referring team retains its right of referral;

(c) if there is no clear reason to change the match Umpire's original decision, the referring team loses its right of referral.

6.5 A team referral that has been already adjudicated upon may not be the subject of a subsequent referral by the opposing team.

7. FOR UMPIRE AND TEAM REFERRALS

7.1 The final decision, including any matter of interpretation, remains with the match Umpire and not the Video Umpire.

7.2 All other decisions remain with the match Umpires.

7.3 Substitutions may not take place during the stoppage of play for a video referral. Substitutions may take place on the resumption of play subject to the Rules of Hockey.
